

| SN | Scientific name                                          | Famliy        | Nepali name            | Habit   | Distn      |
|----|----------------------------------------------------------|---------------|------------------------|---------|------------|
| 1  | <i>Abies densa</i> Griff. ex R. Parker                   | Pinaceae      | Gobre salla            | Trees   | 2800-4000m |
| 2  | <i>Abies pindrow</i> (Royle ex D. Don) Royle             | Pinaceae      | Thingre salla          | Trees   | 2100-3600m |
| 3  | <i>Abies spectabilis</i> (D. Don) Mirb.                  | Pinaceae      | Talispatra             | Trees   | 2300-3800m |
| 4  | <i>Abies spectabilis</i> var. <i>langtangensis</i> Silba | Pinaceae      | Gobre salla            | Trees   | 3050m      |
| 5  | <i>Araucaria bidwillii</i> Hook.                         | Araucariaceae | Araucaria              | Trees   | 1400m      |
| 6  | <i>Araucaria columnaris</i> (G.Forst.) Hook.             | Araucariaceae | Araucaria              | Trees   | 1400m      |
| 7  | <i>Araucaria cunninghamii</i> Aiton ex D.Don             | Araucariaceae | Araucaria              | Trees   | 1400m      |
| 8  | <i>Araucaria heterophylla</i> (Salisb.) Franco           | Araucariaceae | Araucaria              | Trees   | 1400m      |
| 9  | <i>Cedrus deodara</i> (Roxb.) G.Don                      | Pinaceae      | Devdar                 | Trees   | 2000-3000m |
| 10 | <i>Cryptomeria japonica</i> (Thunb. ex L.f.) D.Don       | Taxodiaceae   | Dhupi sallo, Katle sal | Trees   |            |
| 11 | <i>Cupressus torulosa</i> D.Don ex Lamb.                 | Cuprassaceae  | Dhupi                  | Trees   | 1300-3500m |
| 12 | <i>Cycas pectinata</i> Buch.-Ham.                        | Cycadaceae    | Kalwal                 | Shrubs  | 90-700m    |
| 13 | <i>Cycas revoluta</i> Thunb.                             | Cycadaceae    | Jaggar                 | Shrubs  |            |
| 14 | <i>Ephedra gerardiana</i> var. <i>sikkimensis</i> Stapf  | Ephedraceae   | Somlata                | Shrubs  | 2300-5200m |
| 15 | <i>Ephedra gerardiana</i> Wall. ex Stapf                 | Ephedraceae   | Somlata                | Shrubs  | 2100-5200m |
| 16 | <i>Ephedra pachyclada</i> Boiss.                         | Ephedraceae   | Somlata                | Shrubs  | 1120-4100m |
| 17 | <i>Ginkgo biloba</i> L.                                  | Ginkgoaceae   | Jingo                  | Trees   |            |
| 18 | <i>Gnetum montanum</i> Markgr.                           | Gnetaceae     | Bhote lahra            | Climber | 200-1800m  |
| 19 | <i>Juniperus communis</i> L.                             | Cuprassaceae  | Dhupi                  | Shrubs  | 2700-4100m |
| 20 | <i>Juniperus horizontalis</i> Moench                     | Cuprassaceae  | Dhupi                  | Shrubs  |            |
| 21 | <i>Juniperus indica</i> Bertol.                          | Cuprassaceae  | Dhupi                  | Shrubs  | 2100-4500m |
| 22 | <i>Juniperus indica</i> var. <i>caespitosa</i> Farjon    | Cuprassaceae  | Dhupi                  | Shrubs  | 3750m      |
| 23 | <i>Juniperus recurva</i> Buch.-Ham. ex D. Don            | Cuprassaceae  | Bhairungpaati          | Trees   | 1900-4600m |
| 24 | <i>Juniperus recurva</i> var. <i>uncinata</i> R.P. Adams | Cuprassaceae  | Dhupi                  | Trees   | 3900m      |
| 25 | <i>Juniperus semiglobosa</i> Regel                       | Cuprassaceae  | Dhupi                  | Shrubs  | 2900-4000m |
| 26 | <i>Juniperus squamata</i> Buch.-Ham. ex D. Don           | Cuprassaceae  | Dhupi                  | Shrubs  | 2400-4500m |
| 27 | <i>Larix griffithiana</i> Hook.f.                        | Pinaceae      | Himali salla           | Trees   | 2400-3900m |
| 28 | <i>Larix potaninii</i> var. <i>himalaica</i> (W.C. Cheng | Pinaceae      | Himali salla           | Trees   | 2400-4000m |
| 29 | <i>Picea smithinana</i> (Wall.) Boiss.                   | Pinaceae      | Jhule salla            | Trees   | 2100-3600m |
| 30 | <i>Picea smithinana</i> var. <i>nepalensis</i> Franco    | Pinaceae      | Jhule salla            | Trees   | 2000-2500m |
| 31 | <i>Pinus patula</i> Schiede ex Schltdl. & Cham.          | Pinaceae      | Pate sallo             | Trees   |            |
| 32 | <i>Pinus roxburghii</i> Sarg.                            | Pinaceae      | Rani salla             | Trees   | 500-2700m  |
| 33 | <i>Pinus wallichiana</i> A.B.Jacks.                      | Pinaceae      | Gobre salla            | Trees   | 1600-4300m |
| 34 | <i>Pinus wallichiana</i> var. <i>managensis</i> H.Ohba   | Pinaceae      | Rani salla             | Trees   | 3300-3700m |
| 35 | <i>Platycladus orientalis</i> (L.) Franco                | Cuprassaceae  | Dhupi, mayurpankhi     | Shrubs  |            |
| 36 | <i>Podocarpus neriifolius</i> L'Her. ex Pers             | Podocarpaceae | Gunsi                  | Trees   | 800-1500m  |
| 37 | <i>Taxus contorta</i> Griff.                             | Taxaceae      | Lotha salla, Singi     | Trees   | 2000-3500m |
| 38 | <i>Taxus wallichiana</i> var. <i>mairei</i> (Lemee & H.  | Taxaceae      | Lotha salla, Dhengre s | Trees   | 1800-2500m |
| 39 | <i>Taxus wallichiana</i> Zucc.                           | Taxaceae      | Lotha salla, Dhengre s | Trees   | 1900-3500m |
| 40 | <i>Tsuga dumosa</i> (D.Don) Eichler                      | Pinaceae      | Thingre salla          | Trees   | 2000-3600m |
| 41 | <i>Zamia furfuracea</i> L.f. ex Aiton                    | Zamiaceae     | Zamia                  | Herbs   |            |
|    |                                                          |               |                        |         |            |
|    |                                                          |               |                        |         |            |
|    |                                                          |               |                        |         |            |
|    |                                                          |               |                        |         |            |
